The funeral of Mrs. Natividad Serna de Cortez, wife of Mr. Faenndo Cortez, who passed from this life yesterday, took place from the Catholic church this morning nasty and uncomfortable; at about half past ten. Despite the unusually cold weather, a large number of sorrowing friends fol lowed the remains to the cemetrey.

A large party of young people gathered at the home of Mr. and Mrs. M. Leahy last evening to enjoy a dancing party. Like all at fairs of the kind given at the hospitable bome of Mike Leahy, it was a social success, all of the participants enjoying the evening to the fullest extent. Refreshments were served to which full justice was done. Dancing was kept up until a late hour, when the depart ing gn+sts thanked their host and hostess for a most enjoyable even

A chimney at the Episcopal rectory eaught fire this morning, and was burning merrily when discovered by some of the neighbors, who surprised Mr. and Mrs. Portmess by rushing in to extinguish the Two small sacks of sal were hastily emptied into the fire place and in a moment the fire and smoke were entirely subdued. This is a never-tailing means of extinguishing a burning chimney, and is decidedly more convenient than the common plan of dashing water into the chimney to the detriment of floors, carpets, etc. We advise all to try it in such an emergency.

Those of our citizens who have warm fires in their own homes this cold day should bestow a thought upon the many poor families and dled in their little jacals, with no fire at all and also insufficiently clad. If there were ever a time when charity was needed, it is now. We have heard of one family which had no fire and no food all day yesterday, and this is doubless but one instance of many similar ones which exist with in the limits of the city. you can afford it, give a few pennies to any poor family you may know of to buy a bit of charcoal to warm their shivering bodies.

Chauncey Stillman, of New York City, who is spending some months at his father's ranch in this county, arrived in the city last evening on a visit of several days. Mr. Stillman paid THE HERALD office : pleasant call this morning, and among other subjects discussed was the Corpus Christi and Brownsville railroad. The question was propounded by the editor as to what Mr. Stillman thought of the prospect. He unhesitatingly clared that he feels confident that Mr. Sidney G. Miller will carry out his part of the contract. He also thinks that any delay on Mr Miller's part in leaving New York City for Corpus Christi is due to morning, though 3 to 1 are figures the fact that he is making all necessary arrangements to build the road, before leaving there,
